

OSI - Total Pipe Organ Resources

OVER EIGHT DECADES OF ARTISTRY AND EXPERIENCE AT YOUR FINGERTIPS.

Not just a supply business, OSI is a resource for all of your pipe organ related needs. From raw materials, computer-aided drafting and design to equipment utilization and shipping services, we offer a full range of opportunities above and beyond our catalog.

WE ARE YOUR PARTNER-
NOT YOUR COMPETITOR!

OUR HERITAGE IS MORE THAN MERE HISTORY.

WE HAVE BEEN DIVERSIFYING OUR SERVICE AND EXPERTISE TO BETTER SERVE YOU SINCE 1924.

1868	1894	1902	1924	1926	1991 TO PRESENT
					
J.C. Deagan quickly became the source for tuned percussion from tower chimes to tuned doorbells. The chime tradition lives on at OSI.	A. Gottfried Co. was known for their imitative reeds, incisive strings and finely made pipes.	A jeweler by trade, W.H. Reisner took the advice of M.P. Moller and started the manufacturing of pipe organ parts with an emphasis on chest and action magnets.	Leading experts from A. Gottfried Co. form Organ Supply Corporation.	Durst & Company joins the list of Erie suppliers of components for the pipe organ industry.	Organ Supply Industries (OSI) consolidates to one state-of-the-art facility

1860 1890 1920 1950 1980 TODAY
